RECORD OF EVENTS.

This company left Memphis, Tenn. for Pontatock, Miss. and had pretty fair success to that point. We reached Pontatock July 11th and lay in camp the 12th and took up the line of march the morning of the 13th for Osprey. We marched into Osprey in the evening a distance of 25 miles. Brick Skirmish was kept up the most of the day by our cavalry in the advance and several attempts were made by the enemy in the rear to capture or destroy our train, in which they failed. On the morning of the 14th (over)

the enemy attacked us in the rear, where a heavy battle ensued. His column was in the reserve line, and was under a heavy fire of shot and shell from the enemy's guns for 1 1/2 hours, but without any injury to us. After a heavy fight of 2 hours the enemy retreated. In the evening the Regt was moved to the left of the line, and at about 4 o'clock at night the enemy advanced in force on our skirmish line and they were compelled to fall back but a few volleys and charge of our fires made the enemy again fall back, and did not show themselves till we had taken up the line of march on the 15th when a fierce engagement took place in the rear, the enemy

again being compelled to fall back in great confusion the column moved on toward Lexington, 16 miles, and camped for the night but was again attacked by the enemy which ended in a short but decisive battle. We kept up the line of march to Lexington, Tenn, and from there to Collinsville, and took the R. R. cars for Memphis, Tenn. After a rest of 8 days we were ordered to Holly Springs, Miss by the cars. After laying in camp at that place some days took up the line of march to Oxford, but as the advance arrived at that place, we were ordered back to Memphis where we arrived Aug. 30th. 1864 after an expedition of 26 days.

RECORD OF EVENTS.

We received marching orders on the morning of the 23^d of March. We started at 2 o'clock P.M. on the old military road leading from Little Rock to Camden & Threlkington, Ark. We reached Rockport, situated on the Mississippi, some 40 miles from Little Rock at which point we lugged our bridge for the infantry to cross upon, the river being fordable for cavalry & mules. We then moved forward to the No. River, the bottoms of which were almost impassable, either for man or beast. Here we remained a few days waiting for Genl (over)

Hager's Division, which
was moving from Oak
Smith. While waiting for
him there fell a very heavy
rain, which caused us to
lay our bridge for his
forces to cross. We then again
moved forward upon the
old military road until we
reached Prairie D'Aun,
where we left the Washington
& took the lander road. The
roads were almost impassible
until within some 12 or 15
miles of lander, they are
then very good. We reached
lander on the morning of
the 14th of April, and received
orders to lay the bridge in the
afternoon. Jagers the Machine.
We found the water remarkably
deep for the width of the stream,
the width being 60 or 65 yards,
the average depth is some 19
or 20 feet; but we remained
at this place some 6 or 8 days

and then received orders
to put the bridge in the best
possible condition for cross-
ing our little army on its way
back to Little Rock. We crossed
the whole army without any
loss whatever. We were com-
pelled to leave a part of our
lumber owing to our teams
being poor. We marched as
rapidly as circumstances
would admit. We reached
Princeton & encamped for
the night without molesta-
tion. We started at early dawn
the next morning, taking
the middle road, crossing
the Saline at Jenkins of
Perry distance from Little
Rock 48 miles. Through the
bottoms it was almost im-
passable on account of mud
& water. Here we again laid
our bridge on the evening of
the 26th of April. It rained
nearly all night the 26th &
nearly all day the 27th. We
were compelled to leave all
of our waggons, and also

to destroy our bridges. We
then moved forward without
anything worthy of note.

on 26th May the company
was placed on daily
extra duty to work the
ferry-boat on White river
near Batesville. On 1st June
we received the addition-
al charge of the Pontoon
Bridge. We built the latter
across White river experi-
mentally, without detriment
to what was required of
us on the ferry-boat &
attended to both daily
and nightly with an
untiring zeal. We were
relieved from this
more duty on 17th June &

by special order No 204
of that date, the Pontoon
Bridge was exclusively
committed to our charge
together with orders to
march. On the 18th we
moved from Batesville
to the point (confluence
of White & Black rivers)
thence the bridge across
the latter river & within
the few days preceding
the 26 June had the pleas-
ing gratification to see
the whole army cross
safely & without accident
proving to us that tho'
somewhat inexperienced
Pontooners we have per-
formed our work with
the skill of old & able
practitioners. we care
& repair the bridge daily
constantly exercising over
it a diligent supervision

RECORD OF EVENTS.

On the 2nd March
changed station from
Lane's Gulch to In-
gers Creek Ark. Our com-
pany's present guard
took along the prisoners.
On the 3rd March our reg-
iment changed position
from Ingers Creek to
Rockhouse Tavern, Va-
riand Co., Ark. At 10 o'clock
our company
was doing guard duty
as the enemy appear-
ed in force on the
 bluff over our lit-

But we managed to
fall back with our
prisoners 12 miles
nearer to Sugar Creek
without suffering
much inquietude.

from 8 o'clock on the
7th till about 2 o'clock P.M.
on the 8th. It was in
these two days that the
engagement took
place since known
as the battle of Bear
ridge. There held
long & hot combats
which continued on
the 15th & during
night failed for
some time to dampen the
ardor of our separate
the belligerents. The
struggle was renewed
with redoubled energy
on the morning of
the 9th & terminated
about noon in the
general & precipitate
flight of the enemy.

When making these the time.

A goodly number of
prisoners fell into our
hands & our company
was detailed to guard
them from the battle
ground to Springfield.
We arrived in Spring-
field on 15th March hav-
ing traveled more
than 80 miles in
4 days. We suffered
a good deal on the
way for want of every
other kind of food
but flour. On our
return we made
Lasswell, a distance
of 55 miles in
two days through
inclement weather.
We rejoined our reg-
iment at Keatonville
on 23rd March. A
general maneuver
took place from Keatonville
on 6 April since

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. j. &c.*, &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer in whom the authority to discharge enlisted men may be specially delegated.

These certificates, after being received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward one of these certificates to the Adjutant General, United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed "Inventory of the effects of _____, late of company (—), _____ regiment of _____, who died at _____ the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased. This should be done according to Forms 5 and 6, and one copy of each sent to the Adjutant General. No copy of the order convening the board is required, the approval of the commanding officer being sufficient.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt of the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed "Report of the proceeds of the effects of _____, late of company (—), _____ regiment of _____, who died at _____ the _____ day of _____, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General, and one retained by the officer.

NOTE 6.—Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 7.—Form 1 will be forwarded in duplicate to the Adjutant General, through Regimental Headquarters, as soon as possible after the death of the soldier, accompanied by one copy of Forms 2 and 3, or 4, as the case may require. A duplicate of the inventory (Form 2) should be retained until the articles are finally disposed of.

NOTE 8.—The papers for each man should be made SEPARATELY for each man, and, when possible, fastened together. This is especially necessary, and must be done in all cases. The papers cannot be properly disposed of at the Adjutant General's Office unless this is done, and must be returned for correction.

NOTE 9.—Where there are no line officers, as for instance, a general hospital without a line officer to command the guard, the Council of Administration may be made up from other commissioned officers in the same way as prescribed for line officers.

NOTE 10.—Where a soldier dies away from his company or regiment, and the officer having charge of him cannot furnish Final Statements by reason of not being able to obtain a Descriptive List, he should notify the regimental or company commander, (giving him full particulars as to history and description of the man, as far as possible,) whose duty it will then be, in each case, to furnish the necessary papers from the best data he can obtain.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Oct 8. 1864

Colonel

I have the honor to report, that on visiting the different Barracks, and Co: Quarters to see that the lights were all out and the Rendezvous quiet and that the Sentinels were at their posts and attentive to their duties. I found a light in the Company Quarters of one of the detachments sent here to be mustered out. I immediately gave orders for the light to be extinguished, when some one near the door said "you have come to the wrong door" I replied "I had not and that the lights must be put out as it was after Taps" the same voice near the door replied "Go to Hell" I immediately entered the quarters and attempted to arrest the man, and said "I allow no one to use that kind of language to me when at any time and especially when officer of the day." I caught hold of him when his bed fellow, arose, the man said "I will not go to the Guard House" just at this time some one in the quarters, said "we will have to get up and help" I called for the Corporal of the Guard, and as I stepped back to the front, a man near where the light was burning said, "I am Captain

of this Company and that is one of my Sergeants. I re-
plied I did not care if he was Lieut or Captain I
did not allow any one to use such language to me"
As soon as I found out he was a Sergeant. I
ordered him under arrest and told him I should
report his case to you this morning.

His name is Sergt Marion Barnett;
I do not know the number of his Regiment.

I am very respectfully,

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc., and Regimental Commanders cannot include such absent men in estimating the five per cent to be furloughed from the Regiment.

St. Louis, June 27 1864.

Name, Zachariah M. Bonds

Rank, Private Co. "B"

24th Reg't. Infantry Mo. Vols.

Where gone, Hermitage Mo.

Length of Furlough, Thirty days.

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Camp Patterson, Mo.

Nov. 4th 1862

Colonel William Duwey

Sir

In your absence at Pittsburg, Tenn, on the morning of the 28th of October, in obedience to an order of Colonel Boyd, the portion of your command remaining at this camp was in line in readiness to march. The Colonel (Boyd) having casually inspected the Battalion called the Officers to the front & center and in a very irrelevant and profane manner addressed them leaving the impression upon the minds of all present that he was too drunk to govern either his thoughts or his language.

To sustain our opinion as to his being drunk, we would state that among many other things of similar character he said that he wanted it to be understood that he commanded only Colonel & our Lieut. Colonel & wanted us to understand that he expected us to obey his orders and

that any "God-damned Officer or man" who did not obey his orders should have his head shaven, both ears cut-off and be damned out of service.

We mention this merely as an example of Colonel Boyd's profanity; and do this through no malignant spirit - but as there was no cause whatever for menacing as there had been neither reluctance nor disrespect in the obeying of any of his orders either on that or any other day.

We therefore respectfully submit to you ^{them} whether or not the line Officers of your or any other Regiment can with propriety be thus insulted.

Respectfully yours

Maj Gen Curtis

Respected Sir
your attention is respectfully invited to
the notice of and the conduct of Col
Boyd commanding the 24th Missouri in
our Town. The Col is and has been since
his arrival here, intoxicated to such a
degree as to render him wholly unfit to
decently command himself. To say nothing
of the Regiment he has in charge, and
the men following the example set them
by there Col are fast becoming and
soon will be wholly demoralized, as we
were passing the Court House to day the
Col rode up in front of it, coming from
the direction of the Hotel, and cursed and
abused the guard. He being so drunk that
he had to cling to the mane of his horse
to keep from falling off, and drilled the
guard a while till they all ran up in
the upper Court room but two, and as

The road back in the direction of the Hotel
they all yelled and cried out Col you
are on that same old drunk. Hold on to your
honor &c &c. ~~But~~ our Country is going through a
very ordeal, and our army by all reports which
we are able to gain from the press, has suffered
too much from incompetent and intemperate
officers. An officer of the Regiment who saw
the Col remarked that it was a burning shame
to see such examples shown to a Regiment. There
is hardly any discipline he remarked now
in the Regiment and what little there ever was
is fast waning. Genl we write this out of no
unkindness, only informing you of the facts as
they truthfully are, we were intending to communicate
with Genl Wallace, but being advised that you
was the proper officer, you will please receive
this in the spirit in which we write. Having
nothing but the good, our country and the honor
of the Union army and cause in view.

We remain Dear Genl Respectfully.

November 24th 1862

General

It is with feelings of the deepest regret that I feel compelled to send you, for your information, the accompanying letter from a portion of my officers, to me. I do not do this officially, nor for the purpose of having any action taken in the matter, unless you deem it absolutely necessary. I think it important however that you should know the condition of military matters here. - The feeling in my Regt as in other commands here, is deeply adverse to Col Boyd. My officers who were present at the scene, described in the letter, the most of whom are now absent on an expedition to Dallas under Col Jackson, of the 12th the State Militia Cavalry, were perfectly furious, on my return from Pittman's Ferry, many of them declared their intention to resign, rather than serve under such a commander.

General, I am a Soldier and you can imagine my feelings on hearing their account of the painful and shameful scene, forced as I am to obey orders from a source so incompetent to give them.

I also send you my official report of the expedition to Pittman's Ferry. This I do to shield myself from the imputation of having originated

the false statements published in the Missouri Democrat in relation to that expedition.

You will perceive that there was no fight at Belingers Mill & but a very slight one at the Ferry.

You will see also that if Lt. Col. Sargent had met me at Pittman's Ferry, as was intended, the expedition would not have been fruitless. I will mention that I was ordered to take five days rations, and was gone nine days, without tents, and of course had to subsist my men off the country. — A part of my force had but two days rations.

I reached here on the 2^d inst and on the 3^d five companies of my Regt were ordered to report forthwith to Col. Jackson of the 12th M. S. M. Cavalry, with three days light rations, to go to Dallas, a distance of 46 miles — They are now absent. They were given no time for preparation and as the sickles are among them, they must suffer. — I write in no spirit of complaint. I started out to serve my country, and to serve her faithfully, with no other wish, than to retire, after the war, with a Soldiers laurels honestly won, — I have a noble Regiment, entirely devoted to me and to the cause. I ask but two things.

- 1st That I be permitted to manage & take care of the men entrusted to my keeping, myself; and
- 2^d That we be placed under the command of competent officers; and in this request my officers

and even most earnestly concur.

Pray it not strange, General, and be not
offended, that we appeal to you. Your position -
the citizenship you claim and let me add - your
kindly feelings and your high sense of honor, constitute
you our natural protector.

With great respect

I remain fraternally,

Yours to duty

NOTATION.

Book mark: 10744-A-1886.

Adjutant General's Office,

WAR DEPARTMENT,

Washington,

June 9

1887.

The charge of desertion of May 20, 1862, on records of Enrollment Division is removed as erroneous.

This man deserted on or about Jan'y 1st 1863, and was arrested on or about March 30, 1864. As he was subsequently restored to duty by S.O. 41, Hd Qrs., 3^d Div., 16th A.C., dated Aug. 5, 1864 without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no

FE (over)

longer stands against
him. The record of the
fact that he was absent
in desertion from on or
about Jan'y 1st, 1863, to on or
about March 30, 1864, can-
not, however be expunged.

NOTE 1.—This blank will be used for both enlistment and re-enlistment—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably

judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.
This soldier has *blue* eyes, *dark* hair, *fair* complexion, is *five* feet

FINAL STATEMENT

OF

Reg't of

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—Amounts due the Butler and Landworn must be entered on the Muster Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 4.—This blank will be used for deceased volunteers as well as others.
